**MONITORING WELL PERMIT
GENERAL CONDITIONS**

(Installation within Private Property)

The City of Fresno grants permission to install a monitoring well(s) at the referenced location and for purpose described herein, subject to all conditions and provisions of Chapter 6, of the Fresno Municipal code, and to any and all other applicable Federal, State and local standards, codes, ordinances, and the following:

1. The applicant, the owner and their representatives acknowledge that the city is not responsible for any liability arising from any work related to this permit.
2. The applicant acknowledges the proposed work will be permitted by the City only if said work complies with all applicable standards, codes and ordinances.
3. Upon completion of the work, the applicant shall submit two copies of the consultant's environmental report(s) to Public Works Engineering; including but not limited to: Well Driller's Report, lithological logs, analytical results of samples, findings, evaluations, and conclusions. The applicant shall also provide construction diagram(s) for the finished well(s), and a scaled as-built location map.
4. The owner acknowledges that the proposed work is part of an environmental assessment or re-mediation program as directed by a regulatory agency with the scope of work based on a work-plan approved by said agency.
5. This permit shall in way be construed as a grant by the City of any right to the owner, applicant and or their representatives to trespass upon land rightfully in the possession of, or owned by, another, whether such land be privately or publicly owned.
6. If installation of a monitoring well(s) is required on property in the possession of, or owned by, another, whether public or private, the applicant shall provide written authorization from the property owner granting permission to enter said property for the purpose of installing and maintaining the well(s).
7. Applicant hereby agrees to comply with the conditions stated above and any additional conditions, which may be required by the City as, deemed necessary to insure compliance with any and all applicable ordinances.
